Happy New Year District III! In 2016, I attended a plethora of excellent events and have written previously about them. However, I still have many more I want to tell you about. Unfortunately, there is not enough space available in my columns to do this.

This month, I will limit my words and show more pictures with captions of several events I had not previously reported on. Look closely and you might see yourself or your club in this collection of photos.

Thank you to all of the members and clubs in District III that put on these great events. Your hard work and dedication to promoting model aviation is what ensures our hobby/passion will continue for generations to come. I look forward to seeing you in 2017.

Until next month, fly safely—fly AMA.
